MEMORANDUM FOR: Legislative Counsel  
FROM :   
Assistant Legislative Counsel  
SUBJECT : Congressional Staff Offer of Assistance

1. Date, Time, Place of Meeting:

15 December 1978  
1100-1300 Hours  
223 CHOB (U/IUO)

2. Participants:

Harry Burrows, Legislative Assistant to  
Representative Richard Schulze (R., Pa.)

Mr. Steven Parker, Legislative Assistant to  
Representative Schulze

Assistant Legislative Counsel (U/IUO)

3. During a two hour discussion covering a wide variety of topics, the undersigned received from Representative Richard Schulze's Legislative Assistants an offer to assist the CIA, whensoever possible, during the 96th Congress. (U/IUO)

4. The staffers informed me that the Congressman is increasingly concerned over press and other source attacks on the Intelligence Community and particularly the CIA. They therefore requested that this office, when the need arises, inform the Congressman of our problems and more importantly ways by which he may assist us vis-a-vis legislative initiatives. I thanked the gentlemen for their concern and advised that the time may well occur when we are in need of assistance from the Congressman's good offices, and if so we will apprise them (him) of the same. (U/IUO)

5. As you know, the Congressman represents a Philadelphia "main-line" Republican district which, since Congressman Schulze won with circa 80-83% of the vote last go around, can best be described as a safe district. Interestingly, after the votes were in Congressman Schulze's first statement was a request that in two years his opponent be the same man. (U/IUO)

6. Although we would probably not wish to utilize the Member's services on major issues - at least not as a lead spokesman - we might well take up the offer, on one or another bill, for purposes of amendment or floor colloquy. (U/IUO)

7. Congressman Schulze currently serves on the Ways and Means Committee, this being his third term (member of the 94th Club). My original purpose in travelling to the Congressman's office had been to deliver to Mr. Parker a packet of overt CIA informational material for his personal use and for passage to a constituent who intends to later make application to the CIA's Career Training Program. (U/IUO)
